Dear Friend of Clarkston Area Youth Assistance:

It is quickly approaching the time of year when Clarkston Area Youth Assistance holds its' Annual Golf Outing. The monies raised at last year's successful outing were used to send children to camp. Many of these children had never experienced an overnight camp and were so grateful for the opportunity. The monies raised also helped fund other programs that we offer including Mentors Plus, Delinquency Prevention Programs, After School Tutoring, Youth Recognition and Youth Involvement.

Clarkston Area Youth Assistance would like to thank those of you who were part of our outing last year and welcome any newcomers.

Enclosed you will find the details of the outing. There are many ways to participate including sponsoring a hole, donating a prize, and of course, golfing in a foursome. Please review this material to see how you can become a part of this fun and important day.

Thank you for supporting Clarkston Area Youth Assistance. You can make a difference in a young child's life! If you have any questions or would like more information, please call the CAYA office at 248-623-4313.
